## WHO ARE WE

Smart Skate is a Sub-Committee of the Bridgewater Development Association's (BDA) Youth Action Team. The BDA is helping youth create a youth friendly town. One project being worked on is helping youth create a permanent skateboard park in the Bridgewater area.

We have had many volunteers members involved with the Youth Action Team in the past. In addition to having a permanent skateboard park, we want youth to progress in the town. Where there is a task, there is a challenge. We approach challenges on this committee in a positive way. We learn many skills such as planning and carrying out a meeting, preparing and giving presentations, keeping commitments, time management and working as part of a team.

If you want to help change the Bridgewater area for the better; and work with an amazing team, then Smart Skate's committee is for you. Join us today.

We are always looking for young people, youth leaders and adults to join us in making Bridgewater a more youth friendly town.
