

### SAFE WATER & LOTS OF IT

Bridgewater boasts the safest, cleanest, drinking water in Nova Scotia! Our pride and joy is the scenic LaHave River, popular for Salmon fishing! The town is virtually surrounded by water, offering kayaking, canoeing, windsurfing - and sailing from Shipyard's Landing! Some of the region's finest beaches include Crescent Beach and Rissers Beach, just minutes outside of town.

### GOLFING HOLE-IN-ONE

For the golf lover, the Osprey Ridge Golf Course, rated the "best new golf course in Canada" in 1999, features 18 holes, Par 72. Another option is the Olde Town Golf Course, a 9-hole golfer's paradise!

Bridgewater is thriving in service groups, churches and schools. Its protective services include a local fire department, police department and emergency health services response and paramedics team.
